

# *November 2011 Proclaimed Science & Technology Month*

The Governor General of Jamaica, His Excellency The Honourable Sir Patrick Allen, ON, GMC, CD, presents Proclamation to Dr. Chadwick Anderson (right), Executive Director of the Scientific Research Council (SRC) after proclaiming November as "Science and Technology Month" on Friday October 28, 2011 at the King's House. Each year the SRC and other stakeholders celebrate Science and Technology Month by hosting a number of events to highlight the value of science and technology
