

**Company name:** Sun Valley Plantations

**Address** Crescent District,  
Oracabessa, St. Mary

**Phone number:** 995-3075

**Fax:**

**Year of start of operation** 1996

<b>Total number of employees</b>	10
Management	2
Administration	
Production	8

**Main products:** Coconut water

**Evaluator name** Marcia Henry

**Institution of evaluator** Scientific Research Council

**Date of evaluation** 2nd March, 2005

**Observations** *(of the end of tool, use additional space if required)* Increased awareness of the components of the processing of coconut water, whereby the company can look at each component for more effective management in each process - in both material and financial terms for higher financial gains. The components include quality business and environmental issues - 150 HACCP - so that in starting a new product or business, have the knowledge that is important. Have received the basic framework from the project which can be applied in the global marketplace.
